THE
SUZUKI SX4
S-CROSS

HAVE TO
have it.

A white silhouette of a hand with the index finger pointing towards the text, set against a green background with black curved lines.

HAVE TO HAVE IT ALL?

THEN THE SX4 S-CROSS IS FOR YOU.

At Suzuki we love a challenge. So when we decided to create a car that gives you the best of both worlds, we drew on our experience of designing cars with style, agility, comfort, safety and great economy and value.

The result looks good, that much is obvious. But the beauty's more than skin deep. You're ready for anything in this comfortably spacious vehicle, filled with reassuring safety features and boasting helpfully low running costs. The SX4 S-Cross is a true crossover: ruggedly capable with the street smarts of a city car.

It's got so much going for it, you'll never want to go anywhere without it.

Bring the car to life with our Augmented Reality SX4 S-Cross App. Look for the icon on the Tech Specs page and simply follow the directions.

**STOP. STARE.
REPEAT.**

A STRONG LOOK THAT GETS NOTICED.

Some designs grab you by the scruff of the neck and demand attention. But these looks aren't just for show.

Yes, those dynamic lines create an unmistakable silhouette. Sure, you'll feel proud of its bold, confident stance. But the truth is that every curve helps the aerodynamic flow of the SX4 S-Cross to maximise fuel economy – from the integrated roof rails* down to the polished alloy wheels**.

Likewise, the eye-catching LED[†] daytime running lights serve to make you visible when the sun's up, while the High Intensity Discharge Headlamps[†] make everything else visible come sundown. The rugged-looking skid plates help to protect the underside of the car. And that high stance? It creates the high ground clearance to help you get across deep snow or flooded roads.

So, looks as well as capability. We told you this car had it all.

BIG ON THE INSIDE

AND LOTS TO GO IN IT.

Everyone will want a go in your SX4 S-Cross. Luckily, it's plenty big enough.

Let's begin at the end. The boot has a whopping 430-litre capacity and up to 864mm loading length even when the rear seats are upright. But it's a versatile space too, because those seats fold in a practical 60:40 split. This gives you more flexibility to accommodate anything from folded pushchairs to flat-pack furniture – as well as your passengers. In the cabin it's the same story, with generous legroom for five adults. And it feels even bigger thanks to the world's first double-sliding panoramic sunroof[†].

Room for more? Then have dual-zone automatic air conditioning* for independent driver and front passenger temperature control. Enjoy satellite navigation** and a rear-view parking camera** so you always know exactly where you're going. Check out the DAB Digital Radio** and Bluetooth phone integration*, feel the heated leather seats[†], get to grips with the cruise control and the handy keyless entry and start*.

If this car doesn't have it, chances are you don't need it.

**TAKES EVERYTHING IN
ITS STRIDE**

HIGH VALUE PERFORMANCE WITH CAREFULLY ENGINEERED EFFICIENCY.

The SX4 S-Cross sure packs a punch, but with minimal impact on your wallet.

Thanks to the fuel-efficient 1.6 DDiS and 1.6 petrol engines – with the additional help of the car's low weight and superior aerodynamics – the SX4 S-Cross boasts low running costs, notching up an impressive fuel economy of up to 67.2 mpg* and low CO₂ emissions of just 110g/km*.

In addition, Continuously Variable Transmission (CVT)[†] is available, offering the convenience of an automatic with the economy of a manual.

Another efficient feature is the Engine Auto Start Stop System**, which stops the engine when the car comes to a dead halt – at traffic lights for example. This cuts down on unnecessary fuel consumption, emissions and engine noise. So you're doing everyone a favour, not just yourself.

A GRIPPING RIDE

WHATEVER THE ROAD BRINGS.

Whatever the road throws at you, the SX4 S-Cross rises to the challenge thanks to the ALLGRIP 4-wheel Drive system*. It lets you adapt to varying conditions at the turn of a dial, whilst automatically optimising fuel efficiency and safety.

- Auto mode prioritises front wheel drive for optimum fuel efficiency in everyday conditions, switching to 4WD if wheel-spin is detected.
- Sport mode will actively engage 4WD based on accelerator inputs, to make driving more responsive along country lanes.
- Snow mode is your answer to powder, ice, rain and mud – giving crucial traction and stability when the conditions demand it.
- Lock mode engages permanent 4WD if you get stuck in deep snow or mud.

ALLGRIP rolls exhilaration, peace of mind, and economy into one. After all, why should you have to choose?

SAFETY FIRST

AND SECOND AND THIRD AND FOURTH.

We know that safety is one of the most important things you look for in a car. That's why the SX4 S-Cross offers total reassurance to you and your passengers - earning it a 5-star Euro NCAP safety rating in the process.

Take the seven separate airbags. There are front and side airbags - a driver's knee airbag, plus front to rear curtain airbags too, so you can feel safe all round.

Notice the high seating position that gives you a clear view of your surroundings. And the tyre pressure monitor that warns you in case of deflation. The cruise control even has a speed limiter if you want to activate it, while a Hill Hold feature* stops you rolling backward on a hill start.

We've got safety sorted so you can simply enjoy the ride.

WARRANTY

With Suzuki, getting your new car is just the start. Because we'll help you make the most of the journey now and in the future too. Here's a quick heads up of what we can offer.

WARRANTY. IT'S ABOUT TRUST.

Every new Suzuki comes with a comprehensive three year or 60,000 mile warranty (whichever comes first) and a twelve year anti-perforation warranty[†]. The warranty is also transferable to other owners too. So they can also have peace of mind.

ROADSIDE RECOVERY. WE'LL BE RIGHT THERE.

We're always around if you need breakdown assistance too – from the flat tyre, to the unforeseen accident. New cars come with a one year Suzuki Assistance plan provided by the AA Suzuki Assistance team. The cover includes 24 hour Roadside and Homestart cover, with European assistance too.

TALK TO US.

The Suzuki Information Service could talk all day about your Suzuki. From the product range to services for drivers, they can fill you in on everything.

So if you've got a question, just get in touch on 0845 606 2220 or at Suzuki GB PLC, Steinbeck Crescent, Snelshall West, Milton Keynes, Bucks MK4 4AE.

[†]Jimny comes with 6 year anti-perforation warranty.
